

CREATOR CHATTER

February 2012

Dear Parents,

Happy Valentine's Day!

In celebration of Valentine's Day, we would like all children to bring a valentine from home for each child in **his/her fish group**. This would be 10 valentines per day at the most. We have attached a list with the names for each class. The older children will decorate bags and then "deliver" the Valentines by placing them into their friend's bags here at school. The younger children's Valentines will be given out by their teacher. It is very important for you to remember that it is not developmentally appropriate at this age for all children to write their names and/or their friend's names on their Valentines. Please assist your child at his/her level of development to address and sign their Valentines.

Please have your child send his/her Valentines on:
Monday 2/13 for the MWF children
Tuesday 2/14 for the TTh children

Sherry Webb and Judy Myers, Directors

In this issue:

- ***February Calendar***
- ***Valentine's List***
- ***Spotlight: "Lunch Buddies"***
- ***Registration Forms for 2012-2013***

Registration:

We are currently holding registration for the 2012-2013 school year. You will find the registration forms attached. If your child is currently enrolled in our program, he/she is guaranteed a spot next year. Please fill out the forms and return along with your \$65 registration fee by February 29th.

If your child will be attending kindergarten next year, we would hope that you might pass your forms along to someone you know who may be interested in our preschool program. Our best marketing approach has always been word of mouth. Thank you for sharing information about our school with your friends and neighbors. If you should have any questions about registration, please see Judy or Sherry.

Parent Involvement:

Please continue to bring in Campbell's Soup Labels.

Also, don't forget to register your Kroger cards at www.elabelsforeducation.com.

If you are new to our school or are not receiving e-mail updates, please contact Sheryl Arzuaga: snsn32@yahoo.com

FYI:

For those of you who may be planning ahead for your summer vacations, the last day of school will be Tuesday & Wednesday, May 15th & 16th. (over)

CREATOR CHATTER

February 2012

School Fundraiser

Creator will be holding a fundraiser at Moe's in Mechanicsville on Monday, February 6th from 5pm to 8pm. Hope to see you all there!

Class Pictures

Please send in your child's family picture so that we can hang it in his/her classroom.

Spotlight:

Lunch Buddies provides your child an opportunity for further socialization with his/her peers both during lunch and after lunch. Also, the children are able to mix and make friends with children from other classes that they don't necessarily get to spend time with during a normal preschool day. Our Lunch Buddies especially enjoy the after-lunch child directed time where they are allowed to choose from all of our materials and activities. We have even been known to make up our own activities such as building structures with sofa cushions or exploring new territory outside. Lunch Buddies has been wonderful for our teachers and directors also. We have so enjoyed spending casual, relaxed one-on-one time with your children.
